

Business Reference Letter

To whom it may concern

We are proud to inform, that Multiserwis Sp. z o.o. with its seat in Poland, 47-300 Krapkowice, ul. Prudnicka 40, has carried out the following works within the contract for the project **Cool Stanol Dedusting, RHI Normag AS, Porsgrunn, Norway**, which included:

- Mechanical erection and dedusting installation of Scheuch's equipment: filter, exhaust fan, exhaust ducts/pipes on clean and dirt side, silencer, chimney, support constructions, platforms, barriers, ladders etc.
- Assembly of thermal insulation, on above equipment
- Material supply
- Execution of sheet prefabrication at Central Workshop in Krapkowice and its delivery to the place of realization.
- Project Management
- Safety Supervision

Project volume: 850m², 210T EUR

Realization was carried in accordance with the contract conditions, ISO standards, and on time with investor's work schedule, preserving the highest quality and safety of work which was managed by qualified personnel.

Provided quality of service, not only on this project but during long term cooperation, has met our expectations and we recommend Multiserwis company to other investors, clients as reliable partner in industry business, especially while considering industry insulation services.

Regards,

scheuch
