Business Reference Letter

To whom it may concern

We are proud to inform, that Multiserwis Sp. z o.o. with its seat in Poland, 47-300 Krapkowice, ul. Prudnicka 40, has carried out the following works within the contracts with Vyncke company in the year 2014 for the following project:

Altia Oyj, Koskenkorvan, Finland.

which included:

- Assembly of thermal insulation on Vyncke's system: the boiler, piping and ducts.
- Insulation materials supply.
- Execution of sheet prefabrication at Central Workshop in Krapkowice and its delivery to the place of realization around Europe and globally.
- Project Management
- Safety Supervision

Realization was carried in accordance with the contract conditions, ISO standards, and on time with investor's work schedule, preserving the highest quality and safety of work which was managed by qualified personnel.

Provided quality of services during long term cooperation, has met our expectations and we recommend Multiserwis company to other investors, clients as reliable partner in industry business, especially while considering industry insulation services.

Best regards,

Tom OMEY
