

Business Reference Letter

To whom it may concern

We are proud to inform, that Multiserwis Sp. z o.o. with its seat in Poland, 47-300 Krapkowice, ul. Prudnicka 40, has carried out the following works within the contract for the project for **Andritz AG, in AB Fortum Värme samägt Stockholmstads, Jägmästrgatan 2, SE-11577 Stockholm, Sweden** which included:

- Mechanical erection and installation of Scheuch's equipment:
Exchange about 1.000 pieces of filter hoses and install baffle plates, etc.
- Safety Supervision.

Realization was carried in accordance with the contract conditions, ISO standards, and on time with investor's work schedule, preserving the highest quality and safety of work which was managed by qualified personnel.

Provided quality of service, not only on this project but during long term cooperation, has met our expectations and we recommend Multiserwis company to other investors, clients as reliable partner in industry business, especially while considering mechanical erection.

Regards,
