Business Reference Letter

To whom it may concern

We are proud to inform, that Multiserwis Sp. z o.o. with its seat in Poland, 47-300 Krapkowice, ul. Prudnicka 40, has carried out the following works as our subcontractor for the project **Nuclear Power Plant, Olkiluoto 3, Finland**, which included:

- Mortar works.
- Assembly of thermal insulation, boxes.
- Execution of sheet prefabrication
- Safety Supervision

Realization was carried out in accordance with the contract conditions, EN & ISO standards and on time with work schedule, preserving high quality and safety of work which was managed by qualified personnel.

The quality of service provided on this long term project has met our expectations and we recommend Multiserwis company to other investors or clients as reliable partner in industry business, especially while considering industry insulation services.
